POLICIES

1. **All sales are final.** Do not return a purchase simply because you "don't like it." The **ONLY** CD's that can be returned are those that are faulty due to CD pressing (skips, etc) or if we shipped an incorrect CD. If this has occurred, please contact Nilaihah Records at order@nilaihah.com so we can resolve the situation.
2. We are not responsible for how the post office or shipping carrier treats packages in transit. When we ship your CD from Nilaihah Records, we make sure that it leaves with a perfect jewel case. If you receive a cracked jewel case, we apologize, but it cannot be returned or exchanged. You may request an empty jewel case with your next order. Again, we do our best to ship your order in a safe manner, but we cannot control the postal system from throwing around your package.
3. We are **NOT** responsible for stolen mail and will not replace your CD's. If you are concerned about your packages' safe arrival, we can send it with delivery confirmation or add insurance to the package. We strongly suggest this if you have had a history of stolen or disappearing mail. Just email us for more information and pricing. order@nilaihah.com
4. Because of credit card fraud over the internet, you may be contacted directly by Nilaihah Records to verify your information. This is only a precaution for all parties involved.
5. If you have any more questions or comments, please contact us at the address below. After all, we are here to cater to you.

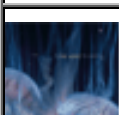

Thank you for your support and patronage!

 nr036	NILAIHAH RECORDS / Dance Music Sampler 2008 CD Yes, that's right... Nilaihah Records has released a promotional CD of continuous dance tracks for ! So if you've always wanted to check out these label and the bands, this is your chance to hear 16 amazing songs! <i>Hurry, these won't last!</i>	3.00		
 nr035	UNHEILIG - Puppenspiel - The arrival of the German phenomena Unheilig in the States has come! Their perfect concoction of electronic and rock has enthralled thousands of European fans since 2000. With his cool charisma and mesmerizing vocals, vocalist “Der Graf” has entranced legions of listeners. Now, with the help of Nilaihah Records, Unheilig extends their spell to America. Look to be blown away by their most polished CD to date, "Puppenspiel!"	14.00		
 nr034	GASR – Reptile - GASR are back, with their stunning sophomore release! Imagine 'Survival of the Fittest' amped up, polished and mixed with heavy doses of political angst. A polemic with teeth, this album steps away from the sunny themes found on their debut, opting instead for an even gloomier, uncomfortably intimate record meant as a provocative, thoughtful and violent reaction to life in post-9/11 America. Once again, they combines elements of dark Electro, Industrial, and even hints of harsh EBM without sacrificing melody.	12.00		
 nr033	THE AZOIC – Re:illumination [the mixes] - Take several remixes (from Illuminate), add many genres of electro, tons of awesome bands and throw in new (and exclusive) tracks from The Azoic. What do you get? A uniquely diverse and captivating disc...	12.00		
 nr032	NULL DEVICE – Excursions - Building on concepts explored in their previous releases, Null Device returns with deeper explorations into their blend of angular electronica and various elements of world music. Instrumentations and styles from India, Persia, and the Middle East blend with a mix of breakbeat, techno, downtempo and even electro dance. Their finest release to date, so immerse yourself into beats, melodies, and atmospheres that you won't soon forget...	12.00		
 nr031	Various Artists - FOURPLAY vol. 1 - This amazing "compilation" of 4 Nilaihah bands with 4 tracks each, aptly titled 'FOURPLAY', took quite a while to complete. But we can easily say it was definitely worth the wait! XP8 , GHOST & WRITER (Frank Spinath of Seabound/The Weatherman), GASR and INTERFACE all join to each offer 4 brand new tracks; 16 total.	12.00		
 fact3067-2	CONETIK – Kube Musik - If you loved ' Carbon Elektrig ', this new release will blow you away! We've imported this baby from overseas and cannot wait to hear the US reaction. It's breathtaking! 14 tracks total.	Import CD 14.00		
 nr030	FROZEN PLASMA – Artificial - From the ashes of NamNamBulu arise one of the most talked about electro bands of 2006. Vasi Vallis (NamNamBulu and Reaper) joins forces with singer Felix Marc (Diorama). Their first single ' <i>Hypocrite</i> ,' was released in late 2005 with a bang! The band has already confirmed a tour with In Strict Confidence and 4 European festivals!	12.00		

 <p>nr029</p>	<p>DISTORTED REALITY – Daydreams & Nightmares - Distorted Reality are back - and with a stronger presence than ever! They took their already amazing sound, finessed it and experimented, defying genres. 'Daydreams and Nightmares' takes the listener through a 16 track journey and includes guest vocals by Julia Beyer of Technoir and Andreas Meyer of Forma Tadre plus a cover of "Rebel Yell" (originally by Billy Idol) and remixes by In Strict Confidence, Agonoize, Das Ich, Daniel Myer and Dust of Basement.</p>	12.00		
 <p>nr028</p>	<p>INTERFACE – Beyond Humanity - New York's Interface combines elements of darker EBM, trance, and industrial, all with a melodic, emotional edge. These tracks will grab you, hook you and make you dance! Imagine Funker Vogt, Kraftwerk, Assemblage 23 and cut.rate.box all rolled into one. Plus, with remixes by Combichrist, Stromkern, Assemblage 23, Imperative Reaction and (well known trance DJ) Sean Tyas, how can you go wrong?</p>	12.00		
 <p>tin026</p>	<p>INTERFACE - ANGELS IN DISGUISE - New York's Interface broke into the electro limelight with their sophomore effort Angels in Disguise, originally released by Tinman Records in July 2002. Melody combines with club sensibility to produce such songs as "Wasted Time", "Temperature", "Ability", and the title track, inspiring comparisons to VNV Nation, Covenant, and Assemblage 23. Once Tinman folded in 2005, Nilaihah acquired the album from Tinman's inventory, and now passes along a great value to you –15 tracks and 71 minutes of music for only \$12 (includes postage!)</p>	10.00		
 <p>nr026</p>	<p>MUSCLE AND HATE - A Tribute to Nitzer Ebb - The new project comprised of Sebastian R. Komor (of Icon of Coil, Monofader, Moonitor fame), one of the best electro producers to date, and <i>Douglas McCarthy-esque</i> vocalist Paul Toohill (of XP8). An outstanding collection of cover versions of one of the most popular Industrial/Electro bands off all time: NITZER EBB. Now, you can hear the most popular Nitzer Ebb tracks with a modern yet powerful twist. This album is so infectious, it's almost as if Nitzer Ebb has resurged...</p>	9.00		
 <p>fact 3041-2</p>	<p>ENDANGER – Eternalizer - Endanger's European is now being re-released with bonus tracks and surprise remixes of "Puls des Lebens" by SYRIAN, "No Transmission" by "LastraX", "Like a Crowd" by HECQ and "Light Desolves" by ENDANGER trance side project "Alphaluna". All this plus a brand new unreleased track and new artwork complete w/ lyrics! <i>Imported and released by Infacted Recordings</i></p>	Import CD 14.00		
 <p>nr025</p>	<p>XP8 - Hrs:Min:Sec CD - Italian Industrial Dance with pounding beats, pumping electro power hooks and true grit with strong similarities to Icon of Coil and Nitzer Ebb! This album, "Hrs:Min:Sec", was produced by Sebastian Komor of Icon of Coil. If you've ever heard their music before, imagine a <i>HUGE</i> growth by this young band!</p>	12.00		
 <p>nr024</p>	<p>INVISIBLE BALLET - Escaping Light - Striking female fronted electro pop with gorgeous melodies and powerful hooks. This stunning band features production by Ryan Coseboom and Count of Halou (formerly of Netzwerk Records). For fans of Delerium, Claire Voyant, Assemblage 23, Curve, VNV Nation and Iris.</p>	12.00		
 <p>nr023</p>	<p>CONETIK – Carbon Elektriq v2.0 - Imagine futuristic trance-pop that is so catchy, you're immediately addicted! Smooth, sexy vocals and infectious club beats created by _andreas and stain, the talented duo from Oslo, Norway. Take trance, turn it on it's head, mix in the Chemical Brothers, the Pet Shop Boys and shake it up! Yes, you'll be taken too...</p>	12.00		
 <p>nr022</p>	<p>GASR – Survival of the Fittest - The highly anticipated debut of a band that started a strong following from <i>mere</i> compilation appearances. 'Survival of the Fittest' combines elements of dark Electro, Industrial, harsh EBM and even a hint of Synthpop with slightly distorted male vocals to create 11 amazing tracks + a <i>special hidden</i> bonus track. For fans of Skinny Puppy, Flesh Field, Tear Garden, and Evil's Toy.</p>	12.00		

 nr021	<p>LIQUID DIVINE – Interface - Mix elements of Haujobb, Front Line Assembly, Recoil (Alan Wilder), Kraftwerk and even a little Tear Garden (Skinny Puppy) to try and crack the complexity of this amazingly talented band. Modern, original electronic beats that transition and weave through several styles and genres into one very strong and cohesive debut!</p>	12.00		
 nr019	<p>ENDANGER - Addicted to the Masses - After releasing the highly regarded 'Motion:Reloaded' and 'Eternalizer,' Endanger are back with their third studio album and best release to date! 'Addicted to the Masses' is a fresh wave of modern, catchy electropop tunes that span from club hits to ballads. 16 amazing tracks with remixes from Assemblage 23, Massiv in Mensch, NamNamBulu and Hecq. If you like De/Vision, Wolfsheim, Iris or Covenant, check out Endanger!</p>	12.00		
 nr018	<p>THE AZOIC – Illuminate - The follow-up to their successful 'Forward' and 'Conflict' releases, 'Illuminate' returns with a further cultivation of The Azoic's sound and style that will leave you wanting more! A solid blend of electronic dance (encompassing everything from trance to futurepop, industrial, techno, and synthpop). 12 passionate dance tracks, including a cover of Animotion's 80's hit "<i>Obsession</i>" featuring a guest appearance from Frank Spinath of Seabound!</p>	12.00		
 nr015	<p>BLIND FAITH AND ENVY – The Charming Factor - A stunning female fronted Synthpop band with strong melodies and catchy vocals that is reminiscent of Depeche Mode but retains a <i>bold</i> style all their own. Add hints of a modern day Erasure and Tori Amos and their infectious hooks will make them shine above the rest! Look for their debut in April 2004.</p>	12.00		
 nr013	<p>NULL DEVICE – A Million Different Moments - A mature collection of songs that explore various cultures, styles, and instrumentation. Weave Middle Eastern influences and guitar to their beloved and intelligent Synthpop sound and you will only scratch the surface of what you'll explore in these intricately created dance ballads. A must for fans of New Order, Depeche Mode, Delerium, Conjure One, Natasha Atlas and Talvin Singh.</p>	12.00		
 nr012	<p>FICTION 8 – Forever, Neverafter – The highly anticipated follow-up to 'Chaotica' with a more polished sound and stronger programming. Complete with hooks, melodies, violin, and male and female vocals, this CD covers a lot of new ground, but retains the sound they are loved for.</p>	12.00		
 nr011	<p>THE AZOIC – Conflict [EP] – The return of The Azoic after their successful 'forward' release with the dancefloor hit "Conflict". Includes 8 tracks with remixes by Iris, Massiv in Mensch, Imperative Reaction, Negative Format, System Syn, and Icon of Coil side project CombiChrist + multimedia video.</p>	8.00		
 nr010	<p>DISTORTED REALITY – The Fine Line Between Love and Hate - Sultry female vocals seemed flawlessly with driving electronics that vary from straight EBM dance to poetic ballads. Featuring Martha, the vocalist from 'Deep Red', with 15 amazing tracks including remixes by Assemblage 23, Propaganda, Noyce TM, Forma Tadre, Null Device, Sabotage, and cut.rate.box.</p>	12.00		
 nr009	<p>BACKLASH – Impetus – the North American release of this amazing Electronic Pop band who Swedish release (also entitled 'Impetus') was nominated for best album of 2001 at the Swedish Alternative Music Awards. Soothing female vocals, Trip Hop, Drum 'n Bass, and Kraftwerk influences have made this Swedish trio stand out.</p>	12.00		
 nr008	<p>NULL DEVICE - Sublimation – The debut release from this melodic Synth Pop band with soothing vocals and strong Industrial dance beats. Includes a remix by Stromkern and a cover of The Smiths' "There is a Light". A must have for fans of Depeche Mode, The Smiths, Iris, B! Machine and Synth Pop lovers.</p>	12.00		

 nr007	DISSONANCE - Reincarnate – deep rich female vocals merged with darkwave pop, creative hooks, and amazing production. A must have sophomore release from this talented duo who were first discovered by Information Society. Also includes a cover of The Beatles' classic, "Eleanor Rigby".	12.00		
 nr006	THE AZOIC - forward... – female fronted Industrial Dance/EBM that is making wave all over the world. This new album captures their 3-year evolution since their last release with catchy melodies, powerful lyrics, and amazing remixes by Assemblage 23, Fiction 8, Flesh Field, and Oneiroid Psychosis.	12.00		
 nr005	FICTION 8 - Chaotica - By far the most melodic dark Synth pop I have ever heard, and this is a CD that outshines almost everything else I have heard this year. The disc kicks off with a wonderful track 'Let Go' that I can't seem to get out of my head, it gets things started in style with an irresistible beat and wonderful atmospherics, culminating in possibly THE dance floor song of 2000!" -- OUTBURN magazine	12.00
