*A resistor dissipates energy that resists the current flow. This CD, aptly named 'Resistor,' combines this diverse blend of "energy" from various underground musicians and molds it into one dynamic force. A strong collection of dance oriented **Industrial, EBM, Electro, Darkwave, and Gothic** songs from some of the top Industrial/Gothic artists around the world.*

*Featuring unreleased tracks, remixes, and exclusive songs that are sure to be club favorites. A must have for fans of female vocals and electronic dance.*

**Distribution** in the **US** through Amazon, CD Baby, Campus Records, Metropolis, A Different Drum, Isolation Tank, Middle Pillar, Darkwave/Projekt, DarkLand Music, Unspun, Musikwerks, and DSBP; **EUROPE** – DDM, Musik Non Stop, Resurrection UK, and Cryonica; **CANADA** - Storming the Mailorder

"...if you buy any comps this year, this should be first on your list!" --**OUTBURN magazine** (issue #12)

"...This disc has CLASSIC written all over it. 17 cuts of pure, fabulous, wall to wall sonic sound... There is a little of something for everyone." -- **Gothic Topic / Hidden Sanctuary**, Michael Ventarola

"Resistor is one of the few compilations that I truly enjoyed from start to finish." -- **The Industrial Bible**

"This comp is a MUST... ...Every song has a memorable quality & every song is dance floor friendly." --**Starvox**
